Inspiring 21st Century Learners to Influence 22nd Century Successes

BREAKFAST & HOT LUNCH NEWS

The school benefits greatly by having as many families as possible on the free and reduced price meal program. The funds are a much-needed source of revenue for the hot lunch program. In addition to the hot lunch program, the number of children on free and reduced price meals affects most of our other federal programs and funding. It is the baseline the government uses to allocate money to the school for basic skills instruction, drug education, and other federal programs. **Help yourself and your school by applying for free or reduced price meals. All families are encouraged to apply, regardless of income.** Fill out and return the meal application included in your registration packet to the school office. Confidentiality is strictly followed.

Student breakfast is \$1.50; lunch \$2.70 per day; Adult lunch is \$3.55. Prepayment towards your child's meal account is greatly appreciated.
